

# Born Out Of Your Mouth

[Andy Partridge](#)

Born out of your mouth with your kiss  
my system formed  
star breath congealing  
born out of your mouth in your words  
my birds will soar.Egg newly laid  
tumbling sweet south  
three minute made  
fresh bread  
born out of your mouth.  
Smile.Grown out of your gaze on a vine  
your find hands tend  
I'll bear you good fruits  
grown out of your gaze  
in your glance my dance will spin.Egg newly laid  
tumbling sweet south  
three minute made  
fresh bread  
born out of your mouth.Smile  
and you cause me to exist.  
Frown  
and DNA would untwist.Egg newly laid...Smile  
and you cause me to exist.
