Careless (JD Samson Remix)

Alex Winston

Languish, won't you leave me
'Cause I'm trying so hard
And still I feel the weight of
Every pound like, an anchor to the ground
And sometimes I hear myself sing on before
I try, and even if I did it all wrong
Would that be so wrong
It's been so long, ohSo give me the heat up on the floor
I need to feel the blood rush more
I want to be CARELESS
Why can't I be CARELESS?
Give it to me, I'm down on the floor
Make me believe this can't be ignored
I want to be CARELESS
Why can't I be CARELESS with you?
CARELESS with youIt's not my business, but he burn bridges
Knowing I'll never see but
That don't make no difference
Assume the senses
I'm not losing sleep
And sometimes I hear myself sing on before
I try, and even if I did it all wrong
Would that be so wrong
It's been so long, ohSo give me the heat up on the floor
I need to feel the blood rush more
I want to be CARELESS
Why can't I be CARELESS?
Give it to me, I'm down on the floor
Make me believe this can't be ignored
I want to be CARELESS
Why can't I be CARELESS with you?
CARELESS with you
Why can't I be, why can't I be, why can't I be
CARELESS with you
Why can't I be, why can't I be, why can't I be
CARELESS(x2)
Bury me in anything I know,
You want to
Bury me in anything you know

That I want youSo give me the heat up on the floor
I need to feel the blood rush more
I want to be CARELESS
Why can't I be CARELESS?
Give it to me, I'm down on the floor
Make me believe this can't be ignored
I want to be CARELESS
Why can't I be CARELESS with you?(x2)
Bury me in anything I know,
You want to
Bury me in anything you know
That I want youCause I'm trying so hard
And still I feel the weight of
Every pound like, an anchor to the ground
And sometimes I hear myself sing on beforeBury me in anything I know,
You want to
Bury me in anything you know
That I want you
