Stay

Lloyd

One more hour stay
10 more minutes stay
5 more seconds stay for a lil while
One more movie stay, one more song stay
Girl don't you stay for a lil while

You look so good, oh yeah, yeah
On the sofa playing with your hair, yeah
Your beauty oh, it ain't bad girl
Taking all them other chicks... they... girl
So don't go,
Said you look like you're packing up to leave
But I'm acting dumb
We had round 1, 2 but I wanna go for 3 girl

One more hour stay
10 more minutes stay
5 more seconds stay for a lil' while
One more movie stay, one more song stay
Girl don't you stay for a lil' while

We switch it up to the shower
We can stay in there for about an hour
And, night and lay down
Like that just smiling now
Go ahead get comfortable girl
So we can say oh, oh, oh, oh
You look like you're packing up to leave
But I'm saying no, no
We had round 1, 2 and 3, but I wanna go for 4 girl

One more hour stay
10 more minutes stay
5 more seconds stay for a lil while
One more movie stay, one more song stay
Girl don't you stay for a lil while
Girl want you to
Can you let me go, oh, oho, oh

One more hour, 10 more minutes, minutes, minutes

Stay, stay, stay, stay, stay,
Just lay back
One more hour stay
10 more minutes stay
5 more seconds stay for a lil while
Stay with me girl
One more movie stay, one more song stay
Girl don't you stay for a lil while
One more hour stay
10 more minutes stay
5 more seconds stay for a lil while
One more movie stay, one more song stay
Girl don't you stay for a lil while
Stay, stay, stay, stay, stay, stay, stay
Stay with me
Stay, stay, stay, stay, stay, stay, stay
Stay with me
Girl, want you to stay with me, hey
