

# Hero

[\*\*James Galway, Richard Cottle, Laurence Cottle, Ian\*\*](#)

Ever the hero you won't break  
Weak and strong  
Ever the hero you won't break  
Weak and strong  
Weak and strong  
You've got to love your brother like you don't love yourself  
You've got to change  
You've got to love your brother like you don't love yourself  
You've got to change  
You've got to change  
You think you're strong  
Cutting off love like an amputee  
You're not alone  
We all want love without the grief  
Ever the hero you won't break  
Weak and strong  
Ever the hero you won't break  
We can relate to your insecurities  
You think you're strong  
Measure your courage in empathy  
Ever the hero you won't break  
Weak and strong  
Ever the hero you won't break  
Weak and strong  
You've got to love your brother like you don't love yourself  
You've got to change  
You've got to love your brother like you don't love yourself  
You've got to change  
You've got to change  
You've got to change  
Right, wrong, maybe  
Option one's the dangerous one  
And I'll bet, and I'll bet, and I'll bet  
And I'll bet, I'll bet  
And I'll bet, I'll bet you make us strong  
And I'll bet you make us strong  
Love's the dangerous one  
And I'll bet, and I'll bet, and I'll bet  
And I'll bet, I'll bet  
Another hero, another hero, another her  
Makes another villain  
Another hero, another hard on, another right on  
Makes another villain  
You've got to love your brother like you don't love yourself  
You've got to love your brother like you don't love yourself  
You've got to change

You've got to change
