

The Exploding Boy (Fitz / F2 Studios Demo 2/85)

The Cure

I couldn't hear a word you said
I couldn't hear at all
You talked until your tongue fell out
And then you talked some more I knew if I turned
I'd turn away from you
And I couldn't look back Tell yourself, we'll start again
Tell yourself, it's not the end
Tell yourself, it couldn't happen
Not this way, not today
