

Jazz Police

Leonard Cohen

Can you tell me why the bells are ringing?
Nothing's happened in a million years
I've been sitting here since Wednesday morning
Wednesday morning can't believe my ears Jazz police are looking through my folders
Jazz police are talking to my niece
Jazz police have got their final orders
Jazzer, drop your axe, it's jazz police Jesus taken serious by the many
Jesus taken joyous by a few
Jazz police are paid by J.Paul Getty
Jazzers paid by J.Paul Getty II Jazz police I hear you calling
Jazz police I feel so blue
Jazz police I think I'm falling
I'm falling for you Wild as any freedom loving racist
I applaud the actions of the chief
Tell me now oh beautiful and spacious
Am I in trouble with the jazz police? Jazz police are looking through my folders
Jazz police are talking to my niece
Jazz police have got their final orders
Jazzer, drop your axe, it's jazz police They will never understand our culture
They'll never understand the jazz police
Jazz police are working for my mother
Blood is thicker margarine than grease Let me be somebody I admire
Let me be that muscle down the street
Stick another turtle on the fire
Guys like me are mad for turtle meat Jazz police I hear you calling
Jazz police I feel so blue
Jazz police I think I'm falling
I'm falling for you Jazz police are looking through my folders
Jazz police have got their fire orders
Jazz police are looking through my folders
Jazz police have got their fire orders
