

Life Won't Wait

Ozzy Osbourne

I watch it all change,
Take the news of the day
And throw it away Time will kill all the pain,
Fate will cure the decay of all this blind ambition,
The greed brings us together Stand strong,
Stay true,
Be brave,
It all comes down to you Try to just let it go,
Know that just is too slow,
But it comes in the end Rise, the guilty will fall,
Stay, they can't take it all; they want the unimportant,
It's love they leave behind Stand up,
Aim true,
Keep heart,
The future looks to you Every second you throw away,
Every minute of every day,
Don't get caught in a memory,
Cause life won't wait for you,
No, life won't wait for you, my friend I'm watching a change,
Who will carry the flame?
It all feels very strange Dreams that men can be good,
Faith to live as we should and know we're all connected,
We give ourselves the power Stay strong,
Stay true,
Be brave,
It all comes down to you Every day that you wait, you're falling faster,
No slide of hand,
No twist of fate,
No ever after When it's gone, it's gone,
A fight 'til the bitter end,
Life won't wait for you,
No, life won't wait for you, my friend Life won't wait for you, my friend
Life won't wait for you, my friend
Life won't wait for you, my friend
Life won't wait for you, my friend
