

Chance of a Lifetime

Material Issue

You think you're foolin' me with your lies
I see it shows in your eyes
And I'd rather die than compromise
Don't go pushin' me, babyI've heard it all before
And I don't wanna hear it anymore
Go ahead there's the door
Don't go tellin' no liesAnd don't miss the chance
The chance of a lifetime
Chance of a lifetime
And don't miss the chance
The chance of a lifetime
Chance of a lifetimeYou think you're cool with all the other guys
I see it shows in your eyes
I'd rather die than compromise
Don't go tellin' no liesI've heard it all before
And I don't wanna hear it anymore
Go ahead, there's the door
Don't go pushin' me, babyAnd don't miss the chance
The chance of a lifetime
Chance of a lifetime
And don't miss the chance
Chance of a lifetime
Chance of a lifetimeAnd don't miss the chance
Chance of a lifetime
Chance of a lifetime
And don't miss the chance
Chance of a lifetime
Chance of a lifetimeYou think you're foolin' me with your eyes
I see that shows in your eyes
And I'd rather die than compromise
Don't go tellin' no liesWell, I've heard it all before
And I don't wanna hear it anymore
Go ahead there's the door
Don't go pushin' me, babyAnd don't miss the chance
Chance of a lifetime
Chance of a lifetime
And don't miss the chanceThe chance of a lifetime
The chance of a lifetime
The chance of a lifetime

The chance of a lifetimeLifetime
