

I Saw the Light

Jools Holland & His Rhythm & Blues Orchestra

It was late last night
I was feeling something wasn't right
There was not another soul in sight
Only you, only you

So we walked along
Though I knew that there was something wrong
And a feeling with me, oh so strong
About you, you-ooo-ooo

Then I gazed up at you
There was something I never knew
'Til I saw the light
In your eyes (in your eyes)
In your eyes (in your eyes)

But I tried to run (I tried to run)
Though I knew it wouldn't help me none (won't help me none)
'Cause I couldn't ever love no one
Or so I said, so I said

Girl, I love you best (I love you best)
It's not something that I sing in jest (sing in jest)
'Cause you're different, girl, from all the rest
In my heart, in my heart

Though my feelings for you
Were just something I never knew
'Til I saw the light
In your eyes (in your eyes)
In your eyes (in your eyes)

Well, I ran out before
But I won't do it anymore
Can you see the light in my eyes (in my eyes)
In my eyes (in my eyes)

In my eyes, in my eyes, can you see it in my eyes?
In my eyes, in my eyes, can't you, woah, yeah

In my eyes
