(what Is) Love?

Jennifer Lopez

Na, na, na, na
Na, na, na, na, na, na
Na, na, na, na, na, na
Na, na, na, na, na, na
Na, na, na, na
Na, na, na, na, na, na
Na, na, na, na, na, na
Na, na, na, na, na, na
People told me I should write a love song
Girl, you sound so angry, you could use some variation
But I'm lonely, negative relations
I've been hurt so many times I don't have the patience
But I've wished for so long for someone to come and show me
Lead by example 'cause I've been waiting
I've tried every age, I'm so tired of the game
I wanna be somebody's girl, would you show me the way?
What if I never find and I'm left behind
Should I keep hoping for love?
What if I'm still the same
Status doesn't change?
Gotta keep hoping for love
What is love?
What is love?
What is love?
Somebody show me
What is love?
What is love?
What is love?
'Cause if you told me
What is love?
What is love?
What is love?
I wouldn't be lonely
What is love?
Please show me
What is love?
I've had blind dates, hooked up with some real flakes
I've gone out with church boys, musician's are the worst
I've tried so hard 'cause I'm just so die hard

Tried my best to play the part, wish you could see inside
But I've wished for so long for someone to come and show me
Lead by example 'cause I've been waiting
I've tried every age, I'm so tired of the game
I wanna be somebody's girl, Would you show me the way?
What if I never find and I'm left behind
Should I keep hoping for love?
What if I'm still the same
Status doesn't change?
Gotta keep hoping for love
What is love?
What is love?
What is love?
Somebody show me
What is love?
What is love?
What is love?
'Cause if you told me
What is love?
What is love?
What is love?
I wouldn't be lonely
What is love?
Please show me
What is love?
Na, na, na, na
Na, na, na, na, na, na
Na, na, na, na, na, na
Na, na, na, na, na, na
Na, na, na, na
Na, na, na, na, na, na
Na, na, na, na, na, na
Na, na, na, na, na, na
I've been alone for the past three years
On Valentine's Day, Christmas is no exception
Birthday's with naughty presents
Been back and forth, same action
I just need this to happen
I'll be singing love's praises
If you would show me
What if I never find and I'm left behind
Should I keep hoping for love?
What if I'm still the same
Status doesn't change?
Gotta keep hoping for love

What is love?
What is love?
What is love?
Somebody show me
What is love?
What is love?
What is love?
'Cause if you told me
What is love?
What is love?
What is love?
I wouldn't be lonely
What is love?
Please show me
What is love?
Na, na, na, na
Na, na, na, na, na, na
Na, na, na, na, na, na
Na, na, na, na, na, na
Na, na, na, na
Na, na, na, na, na, na
Na, na, na, na, na, na
Na, na, na, na, na, na
Na, na, na, na
Na, na, na, na, na, na
Na, na, na, na, na, na
Na, na, na, na, na, na
Na, na, na, na
Na, na, na, na, na, na
Na, na, na, na, na, na
Na, na, na, na, na, na
