

24-23

Young Jeezy

Yeah!

Oh this shit right here nigga

This thug motivation-103

(I'm on my way)

I'm a tell these niggas what I'm doing

I saidim sitting here chillin with this roley on my arm

What I paid for this it shouldve came with an alarm

Yeah I'm tryna fuck baby don't be alarmed

I used to pay Kobe but now I pay LeBron

Let's go!

[Chorus:]See I'm sitting here chillin with this roley on my arm

What I paid for it shouldve came with an alarm

Yeah baby I'm tryna fuck baby don't be alarmed

See I used to play Kobe but now I play LeBron

Kobe, LeBron, Kobe, LeBron

Yeah I used to play Kobe until I played lebron

Kobe, LeBron, Kobe, LeBron

24, 23 y'all niggas remember me

[Verse 1:]Y'all niggas remember who?

Summer of 02'

Came doing that white thang

They ain't know what to do

They ain't know what to think

I ain't know how to feel

And I ain't even have a deal then dog let's keep it real

And whilevwe at it nigga let's just keep it trill

Still the realest nigga in it homie how you feel?

I said I'm feeling like a million bucks

Make me go to Footlocker and buy about a million chucks

(damn) Uh Oh! They say the club is off the chain

I'm on my louie shit fuck some gucci mane

These niggas still on my dick

They like some groupies mane

Can't keep they lips closed

They worse than coochies mane

And that fruity lookin stupid like some coogi mane

Let you trick me out these streets

You must be stupid mane

Tell em this ain't what he want not the boy snow

But between me and you I think the boy slow (ha ha)

[Chorus][Verse 2:]Y'all niggas remember that money before rap

Niggas round my way call me Mr. Penny and a Sac

Them Boyz N Da Hood they call a nigga Mr. Bring It Back

Mr. Go and Get It anywhere you know I keep a map (Yeah)

They say it's going down tonight I hope I make it back

He say he reeing up now you know I'm loving that

She say it's going down tonight you know I'm fucking that

And ain't no shit and? Me you know I'm fucking strapped

Uh Oh! They say the club is off the chain

Straight shots to the head fuck some juice mane

Ask the real niggas in the city who got the juice mane

These niggas talking bout they work but where they proof mane

Y'all know these niggas clowns and I'm the truth mane

If this is what your going for then what's the use mane

Tell em this ain't what they want not the boy snow

But between me and you I think them boys slow

[Chorus][Verse 3:]Y'all niggas remember when I used to get it in

V.P. West End

Pull up with a light tent

Fall up in the spot

Blow about a light 10 [x2]

All that I'm light skinned (ha ha)

Couple hundred karrots and all that's on my skin

You niggas get the picture of what I've written den

Pardon me (why) Feds takin snap shots

Ain't been there 30 minutes spent the half block (damn)

Uh Oh! The club is still off the chain

Don't stop there where the after party mane

Jizzle who you tryna invite mane

Everybody mane

This is my summer and I'm killing everybody mane

So I'm a be out in every hood

Hollering at everybody

And I'm a be in every spot nigga and every party

See this is what they want yeah that boy snow

But between me and you I think them hoes slow (ha ha)

[Chorus]
