

We Have This Place Surrounded

The Boxer Rebellion

Private eye
It's spy versus spy
Fly way, fly away
It's not so bad
Ah but she's just a drag
Not like you, nothing like you
If you want me come and get me
If you want me come and get me
Private eye
I wish I could fly
Fly way, fly away
Oh what a shame
Cause you still act the same

It's not like you, it's nothing like you
If you want me come and get me
If you want me come and get me
If you want me come and get me
If you want me come and get me
It's all right
It's all right
It's all right
It's all right
Come and get me
Come and get me
Come and get me
Come and get me
Come and get me
Come and get me
