I Won't Take You Back

Melissa O'neil

I saw you hanging on Saturday night
You didn't even know I was there
Holding her hand in the parking lot
I know I shouldn't care
I wanna feel loved for a minute
Don't wanna be taken to the limit
But it feels like you keep pushing me there
Don't think that you're better than that
Don't even think you're the only one on my map
I know it's cool when you're there
If you're playing a game
Then I swear, in a heartbeat
I won't take you back
Don't think that I can't see it
When you're looking at her
It doesn't take a genius to know
That I wanna feel love when I'm around [unverifed]
I wouldn't give up unless I found you

In the arms of someone else
Don't think that you're better than that
Don't even think you're the only one on my map
I know it's cool when you're there
If you're playing a game
Then I swear, in a heartbeat
I won't take you back
Even if you're begging on your knees
I'm not the kind of girl to be that weak
Don't think I'm kidding
(It feels like you keep pushing me there)
Don't think that you're better than that
Don't even think you're the only one on my map
I know it's cool when you're there
If you're playing a game
Then I swear, in a heartbeat
I won't take you back
