

Somethin' to Believe In

Bryan Adams

It's funny what goes through your mind
When you think of times you spent together
Funny but when I think back why we broke up
The reasons seem so small One day she's with me, everything's fine
Sayin' somethin' sounded like I love you
The next week I see her walkin' down the street with someone else
Probably sayin' the same thing, it's doin' my brain in I got nothin'
(I got nothin')
Goin' nowhere
(Goin' nowhere)
Tired of under achievin' I keep searchin'
(I keep searchin')
Nothin's workin'
(Nothin's workin')
It's not enough just to be breathin'
I need somethin' to believe in
Yeah, I need something It's funny what goes on in your head
When you think about the way things come together
But now I think back why things had to change
The reasons seem so small Cruel twist of fate, keepin' me awake
When I need to sleep to take away the hurtin'
But now I got time on my hands tryin' to understand
But there ain't no explainin', it's doin' my brain in I got nothin'
(I got nothin')
Goin' nowhere
(Goin' nowhere)
Tired of under achievin', yeah I keep searchin'
(I keep searchin')
Nothin's workin'
(Nothin's workin')
It's not enough just to be breathin'
I need somethin' to believe in
Yeah, I need somethin' to believe in
There just ain't no explainin', it's doin' my brain in I got nothin'
(I got nothin')
Goin' nowhere
(Goin' nowhere)
Tired of under achievin' I keep searchin'
(I keep searchin')

Nothin's workin'
(Nothin's workin')
It's not enough just to be breathin'
I need somethin' to believe in
Yeah, what about you?
I need somethin' to believe in, yeah, yeah, yeah
