

Oh My My

Sophia Maria

My my oh my oooooo

When I look into your eyes, I know that your the real deal
Everything about you is so fly, I wanna know how you feel
And how your body makes my body move from side to side
Hands on my thighs makn me say oh my my my

I love the way you make me feel
Everything about yous, so damn real
I love the way, you make me feel
]Everything about you is so damn real

ooooooo you make me say my my
Boy you're lookn so good tonite, oh my, oh my
Cmon baby make this happen, crackn for me anytime
Really feeln what your telln me, it's goin through ooo my mind
And how your gonna make my fantasies come true, with you bein my boo

Oh my

Dreaming of the day when you take my hand
Rolling around up in the sand
Falling in love in a different land
Thats how I feel
Embrassing eachother will make us one
Lying up under the distant sun, found my love now I am done
My soul is healed

I love the way you make me feel
Everything about yous, so damn real
I love the way, you make me feel
Everything about you is so damn real

ooooooo you make me say my my
Boy you're lookn so good tonite, oh my, oh my
Cmon baby make this happen, crackn for me anytime
Really feeln what your telln me, it's goin through ooo my mind
And how your gonna make my fantasies come true, with you bein my boo

ooooo there's not another man like you
Hope you feel the same way too, bout me as your girl

Us against the world

Oh my, oh my, oh my, oh my, oh my, oh my, my, my

(Preemo's Rap)

oooooooo you make me say my my

Boy you're lookn so good tonite, oh my, oh my

Cmon baby make this happen, crackn for me anytime

Really feeln what your telln me, it's goin through ooo my mind

And how your gonna make my fantasies come true, with you bein my boo
