How Much

Mandisa

How much, how much
Do you really know how much, how much
Well, let me tell you how much, how much you are loved

These words go out to anyone who's ever felt so unlovable
I'd just like to say to you
That lie is so not true
This message is for the broken down
They say you can't turn your life around
No matter what you do
Well, that lie is so not true

Take the depths of the deepest ocean and go deeper
Take the top of the tallest tower and go higher
Take the best day that you've ever had
Try to imagine better than that
And it still don't come close
To how much you are loved

Don't worry about what you've done
God's love goes out to everyone
And here's the wonderful, beautiful truth
That includes me and you

So, let it find you where you are
Wrap its arms around your weary heart
And all the love you're longing for
You'll find all that love and more

No heart is big enough
To measure Heaven's love
'Cause it goes on and on forever and ever and ever
