Endless Road

The Panics

Time can only whisper truth for both of us
All the answers I can find, I put my trust
In a never ending road that leads to my door

I don't want you to go, my love
That's all you have to know
And I want you to help my soul
Somebody show me the way

And I want you to know, my love
It's an endless road till love finally comes our way
My love, uuhhh
My love
It's an endless road till love finally comes our way
My love, uuhhh

Now, we fought against the wall where love was back before
We tried to make it flow but love wouldn't let us go
Crazy us, for all those wasted words

I don't want you to go my love
That's all you have to know
And I want you to heal my soul
Somebody show me the way

And I want you to know, my love
It's an endless road till love finally comes our way
My love, uuhhh
My love
It's an endless road till love finally comes our way
My love, uuhhh
