

Make Her Say (Beat It Up)

Estelle

I see that you want it
I already know
Impatient to show me
Your love below
Livin in lust like
I just wanna see
Come a bit closer
Here, take a peek Make my pussy say (eeeh eeeeh eeh oh)
Make my pussy say (eeeh eeeeh eeh oh)
Make my pussy say (eeeh eeeeh eeh oh)
Yea, make my pussy say (eeeh eeeeh eeh oh)
Mwah
Beat... the pussy up (eeeh eeeeh eeh oh) (x4) Shall I call you daddy?
Shall I call your name?
You can fuck me again babe
But never the same
Drum like a tom tom
Go like a train
Switch up positions
Awesome brain Make my pussy say (eeeh eeeeh eeh oh)
Make my pussy say (eeeh eeeeh eeh oh)
Yea, make my pussy say (eeeh eeeeh eeh oh)
Make my pussy say (eeeh eeeeh eeh oh)
Mwah Beat... the pussy up (eeeh eeeeh eeh oh) (x4)
Beat the pussy up (x4)
