

# Every Little Thing She Does Is Magic

## Sleeping at Last

Though I've tried before to tell her  
Of the feelings I have for her in my heart  
Every time that I come near her  
I just lose my nerve  
As I've done from the start Every little thing she does is magic  
Everything she does just turns me on  
Even though my life before was tragic  
Now I know my love for her goes on Do I have to tell the story  
Of a thousand rainy days since we first met  
It's a big enough umbrella  
But it's always me that ends up getting wet Every little thing she does is magic  
Everything she does just turns me on  
Even though my life before was tragic  
Now I know my love for her goes on I resolve to call her up a thousand times a day  
And ask her if she'll marry me in some old fashioned way  
But my silent fears have gripped me  
Long before I reach the phone  
Long before my tongue has tripped me  
Must I always be alone? Every little thing she does is magic  
Everything she does just turns me on  
Even though my life before was tragic  
Now I know my love for her goes on
