

# Our Lips Are Sealed (Featuring Haylie Duff)

Hilary Duff

Can you hear them?  
They talk about us  
Telling lies  
Well, that's no surprise  
Can you see them?  
See right through them?  
They have no shield  
No secrets to reveal  
It doesn't matter what they say  
In the jealous games people play  
Hey, hey, hey  
Our lips are sealed  
There's a weapon  
Which we must use  
In our defense  
Silence  
Spreading rumors  
So far from true  
Dragged up from the underworld  
Just like some precious pearl  
It doesn't matter what they say  
In the jealous games people play  
Hey, hey, hey  
Our lips are sealed  
Pay no mind to what they say  
It doesn't matter anyway  
Hey, hey, hey  
Our lips are sealed  
Hush, my darling  
Don't you cry  
Cryin' angel  
Forget their lies  
Can you hear them?  
They talk about us  
Telling lies  
Well, that's no surprise  
Can you see them?  
See right through them?  
They have no shield  
No secrets to reveal  
It doesn't matter what they say  
In the jealous games people play  
Hey, hey, hey  
Our lips are sealed  
Pay no mind to what they say  
It doesn't matter anyway  
Hey, hey, hey  
Our lips are sealed  
Our lips are sealed  
Our lips are sealed
