Seahorse

Betwixt

I'm high and I'm happy and I'm free
I got my whole heart laid out right in front of me
And I finally can see the way it's always been
The need for peace starts from withinSo I leave my possessions to the wind
And I'm done with ever wanting anything
Well, I can die satisfied no desires do I hide
Not today, not today, nor for the next one thousand livesI wanna be a little seahorse
I wanna be a little seahorse
A little seahorseI wanna be a little seahorse
I wanna be a little seahorse
I wanna be a little seahorse
I wanna be a little seahorseI, I wanna see a little green man
Oh, sleep with me now and then
I, I wanna see a little green man
Oh, sleep with me now and thenA little green man
Oh, sleep with me now and thenWell, I'm scared of ever being born again
If it's in this form again
Well, I wanna know how, why, where and when
And then and thenI wanna see you be the bright night sky
I wanna see you come back as the light
I wanna see you be the bright night sky
I wanna see you come back as the light, yeah
