

Lay Your Body Down

Poison

I've spent my life waiting
For that famous final scene
I believe you know the one
When she falls in love with me
As for you, you've been fakin' your smile
Fillin' your time
On small talk
And cheap wine
Knowing in your heart there was some place
That you'd rather be
So right or wrong
I wrote you this song
To tell you how I feel
Don't put up no fight
You just turn off the lights
Walk over here to me
And lay your body down on me
Down on me tonight, oh yeah
Oh, let your tears fall down on me
Down on me tonight, oh yeah
As for me I've lied to, denied to
Fight with, and tried to
Apologize for all my ways
To all the women who were fool enough to fall
In love with me
You played your role
Like a movie
Got your lines for who is
Who was, who would be
Somehow you lost track
While real love slipped away, yeah
So for tonight, just turn off the lights
And let those real feelings show
There's no wrong or right
But until you try
You're never gonna know
And lay your body down on me
Down on me tonight, oh yeah
Oh, let your tears fall down on me
Down on me tonight, oh yeah
Before you was mine
I was so lonely
Ain't it a shame
Your heart must feel pain
Before you can get back on your feet again
Ooh so let's draw the blinds
Forget wasted time
And let them old demons die
Take a hold of my hand

Then you'd understand
Why love's worth one more try And lay your body down on me
Down on me tonight, oh yeah
Oh, let your tears fall down on me
Down on me tonight, oh yeah Lay your love, lay it down on me
Down on me
