

# 'Neath A Cold Gray Tomb Of Stone

[Hank Williams](#)

Passing by a lonesome graveyard  
Everything I love is gone  
Weeping as they lay my darling  
Neath a cold gray tomb of stone In this world I'm left to wander  
With no one to call my own  
While my precious darling's sleeping  
Neath a cold gray tomb of stone Out there in that lonesome graveyard  
She is sleeping all alone  
And I buried my heart with her  
Neath a cold gray tomb of stone Skies above are dark and stormy  
All the sunshine, all is gone  
For the while my love is sleeping  
Neath a cold gray tomb of stone
