Drop Out

Beasts of Bourbon

I wanna make the in scene
You know it's not such a bad dream
I give my ma some mean looks
Burn all my old school books
I buy a leather jacket so I look real tough
All the little girls will think I'm tough
I spend my time playing pool
That's how I'm gonna be so cool
Because I'm a drop out
I wanna be a guru
I wanna be a god
I wanna be your baby
I wanna be in love
Purple is my color
Baby your my heart
So let's take some LSD
We can make a start
'Cause I'm a drop out
