

Fool

Frankie Cosmos

Your name is a triangle
Your heart is a square
I love to see you
Way over there Once I was happy
I found it intriguing
Then you got to me
Left me bleeding You make me feel like a fool
Waiting for you
You make me feel like a fool
Waiting for you I thought we could eat bread
I thought we could talk
On darker days
With our boots kicked off You looked to me
And I looked away
Though I had been looking You make me feel like a fool
Waiting for you
You make me feel like a fool
Waiting for you
