Fool

Frankie Cosmos

Your name is a triangle Your heart is a square I love to see you Way over thereOnce I was happy I found it intriguing Then you got to me Left me bleedingYou make me feel like a fool Waiting for you You make me feel like a fool Waiting for youI thought we could eat bread I thought we could talk On darker days With our boots kicked offYou looked to me And I looked away Though I had been looking You make me feel like a fool Waiting for you You make me feel like a fool Waiting for you
