

# Wonder

Natalie Merchant

Doctors have come from distant cities  
Just to see me  
Stand over my bed they're disbelieving  
What they're seeing They say, I must be one of the wonders  
Of God's own creation  
And as far as they see they can offer  
No explanation Newspapers ask such intimate questions  
They want confessions  
They reach into to my head, to steal the glory  
Of my story They say, I must be one of the wonders  
Of God's own creation  
And as far as they see they can offer  
No explanation O, I believe that  
Fate, smiled and and destiny  
Laughed as she came to my cradle  
"Know this child will be able" And laughed as my body she lifted  
"Know this child will be gifted  
With love, with patience and with faith  
She'll make her way, make her way" People see me, I'm a challenge  
To your balance, I'm over your heads  
How I confound you  
And astound you To know and I must be one of the wonders  
Of God's own creation  
And as far as you see you can offer  
No explanation O, I believe that  
Fate, smiled and and destiny laughed  
And as she came to my cradle  
"Know this child will be able"  
and Laughed as she came to my mother know this child will not suffer And laughed as my body she lifted ,  
know this child will be gifted  
With love, with patience and with faith  
She'll make her way, make her way  
Make her way, make her way"
