

Never Enough (feat. MIKExANGEL)

Trey Songz

That's just not me
That's just not me
That's just not me
That's just not me I can't love 'em, no
And I won't trust 'em, no
A young nigga worked too hard
And I don't wanna hold you up
Cause the money is a motive
I guess the money got me open
And I've been drinkin' for a minute
Shit, that's just how a nigga livin'
She don't wanna go raw
And she [?] so hard
She keep it so open
While I'm deep in her ocean
I can't even though I think about what it could be
I tried to love 'em but it's just not me
And I can't even though deep inside I'm incomplete
I tried to love 'em but it's just not me Sometimes I feel bad about it
Sometimes I don't give no fucks
And sometimes I want me somebody
But these hoes is just not enough
Sometimes I feel bad about it
Sometimes I don't give no fucks
Sometimes I need somebody
But these hoes is never enough
I can't fall no more
I won't let myself
Seems like every time I've tried
I hurt someone else
While I hurt me too
I'm so on the loose
She's so over me
I'm not over you
Yeah I did my dirt
Hit you where it hurt
I put your heart in the mix
Issues that I need to fix
But I guess a nigga focused

They say that money is the motive
Can't you hear, I'm so broken
When it comes to love think I'm just hopeless I can't even when I think about what it could be
I tried to love 'em but it's just not me (No)
And I can't even though deep inside I'm incomplete
I tried to love 'em but it's just not me Sometimes I feel bad about it
Sometimes I don't give no fucks
And sometimes I want me somebody
But these hoes is just not enough
Sometimes I feel bad about it
Sometimes I don't give no fucks
Sometimes I need somebody
But these hoes is never enough I can't even though I think about what it could be
I tried to love 'em but it's just not me
And I can't even though deep inside I'm incomplete
I tried to love 'em but it's just not me Sometimes I feel bad about it
Sometimes I don't give no fucks
And sometimes I want me somebody
But these hoes is just not enough
Sometimes I feel bad about it
Sometimes I don't give no fucks
Sometimes I need somebody
But these hoes is never enough (never enough) Never enough
Sometimes I need somebody
But these hoes is
Never enough
Never enough
Sometimes I need somebody
But these hoes is
Never enough
