Something In Your Eyes

Side Kick Nick

Oh, yeah
You like that
So lay your head back
Here we go
You like that
Feels good
Oh, yeah

You ask me why I say why not
Anything is possible and anything can be
Therefore tonight I'll get you hot
You feel the passion you never dreamed

And I know you feel I'm over-confident
What kind of man could I be
It's clear to see it's like animal attraction
When you add it up it's just a matter of fractions, girl

Something in your eyes told me
That you were lookin' for a man you could adore
Something in your eyes are givin' me a sign
And I knew it was on, I knew it was on

If think you're dry, I say you're wet
I can make it possible, I can make it true
And all night long I'll make you sweat
Gonna do a feelin' that long past overdue

And I know you think why so much confidence
What kind of man must I be
It's clear to see it's like adding and subtracting
When you add it up, it's just animal attraction

Something in your eyes told me
That you were lookin' for a man you could adore
Something in your eyes are givin' me a sign
And I knew it was on, I knew it was on

Something in your eyes told me
That you were lookin' for a man you could adore

Something in your eyes are givin' me a sign
And I knew it was on, I knew it was on

So when I get inside and make you wet
I'll lick you dry
Make your body weak from all the body heat
Just like a lion you'll hear me roar
And then I beat into your body, make that body get weak some more
I'll take you to the peak, I'll make you want to scream
And like a lion you'll hear my body roar and roar and roar and roar and roar

Ooh, ooh, ooh

Something in your eyes told me
That you were lookin' for a man you could adore
Something in your eyes are givin' me a sign
And I knew it was on, I knew it was on

Anything is possible and anything can be
You can feel the passion you never ever dreamed of
See it in your eyes, you're givin' me a sign
And I knew it was on, I knew it was on

It was something in your eyes told, made me feel
Something in your eyes and hey, I could see it
Something in your eyes are givin' me a sign
And I knew it was on, I knew it was on

Something in your eyes told me
That you were lookin' for a man you could adore
Something in your eyes are givin' me a sign
And I knew it was on, I knew it was on
