

The Lady's Got Potential

Evita Ost

CHE

In June of 43 there was a military coup
Behind it was a gang called the G.O.U.
Who did not feel the need to be elected
They had themselves a party at the point of a gun
They were slightly to the right of Attila the Hun
A bomb or two and very few objected
Just one shell and governments fall like flies
Ka-pow, Die
They stumble and fall
Bye bye
Backs to the wall
Aim high
We're having a ball
The tank and bullet ruled as democracy dies
The lady's got potential
She was setting her sights
Of making it in movies
With her name in lights
The greatest social climber
Since Cinderella
Okay she couldn't act
But she had the right friends
And we all know a career depends
On knowing the right fella to be stellar.
Just one shell and governments lose their nerve
Ka-pow, Die
They stumble and fall
Bye, bye
Backs to the wall
Aim high
We're having a ball
That's how we get the government we deserve
Now the man behind the president
Calling the shots
Involved so discreetly in a lot of their plots was Colonel Juan Peron would-be dictator
He began in the army out in Italy so
Saw Mussolini's rise from the very front row

I reckon he'd do likewise sooner or later
Just one blast and the tear gas falls like rain
 Ka-pow, Die
 They haven't a chance
 Bye bye
 The terrorists advance
 But one guy
 Doesn't dirty his hands
 Peron was biding time out in the slow lane.
 Suddenly a earthquake hit the town of San Juan
 Ka-pow, Die
 They stumble and fall
 Bye bye
 Keep away from the wall
 But one guy
 Was having a ball
 The tragedy a golden chance for Peron
 He organized a concert with incredible flair
He named off all the victims such a grand affair Politicians, actors, stars of every flavor
It was January 22, 1944 A night to remember yeah that's for sure
 For that's the night that Peron first met Eva
 For that's the night that Peron first met Eva.
