Say I'm Your Number One (EEDB) [feat. Eagle E]

Princess

Say I'm your number one
I only wanna be close to you - say
saysay.
Say I'm your number one - your number one
your number one -
'cause you know I'll be good to you - say
say
say.
Say I'm your number one - won't you ?They say I'm crazy
they say that I'm a fool.
And I feel so helpless because love can be so cruel.
But I'm just waiting and burning up inside.
Come tomorrow
come tomorrow
will you still be mineSay I'm your number one - your number on
your number one -
In only wanna be close to you.
Say I'm your number one - your number one
your number one.
'Cause you know I'll be good to you - say
say
say.Say I'm your number one - won't you
You may be tempted and sometimes led astray.
But I know
but I know your regret it very next day.
I sit and wonder whenever we're apartwould you do it
would you do it
would you go and break my heartSay I'm your number one - your number on
your number one -
In only wanna be close to you.
Say I'm your number one - your number one
your number one.
'Cause you know I'll be good to you - say
say
say.Tell me that nobody else will do -
Say
say
say your number one
your number one

your number one
...
Say
say
say your number one
your number one
your number one
...
