

Charmer

Kings of Leon

She's such a charmer oh no
She's such a charmer oh no
She's always looking at me
She's always looking at me
She's such a charmer oh no
Oh noShe stole my karma oh no
Sold it to the farmer oh no
She's always looking at me
She's always looking at me
She's such charmer oh no
Oh noBorn in West Virginia oh no
Married to the preacher oh no
She's always looking at me
She's always looking at me
She's such a charmer oh no
Oh noShe's always looking at me
She's always looking at me
She's such a charmer oh no
Oh no
