

# Pretty Wings

## Dondria

I dont want this thing to come to a demise  
And maybe your surprised as to how much i adore you  
I just want to love you  
I hope you understand me  
Cuz everytime that i look you in your eyes  
The time we spend together  
In my mind forever  
Dont you ever leave me  
Please dont worry  
Dont have no fear  
Your superwoman's here to save you

Fixin all your problems  
Are you feelin me  
I want you to stay with me  
So we could see  
If we should be  
And make some history  
At night i cant fall asleep  
Please stay with me  
Dont ever leave  
Im beqqin please  
Im beqqin please
