Oh, The Boss Is Coming!

Arkells

OOAWWWOOHHh, The boss is cominNN!
You Better look busy...
They're not paying, you for nothingThere's no time for loving!
In the summer, in the city
There's only room for the sweaty,
There's only room for the sweaty.
HO!Oh oh oh!?
Oh oh oh,
Oh oh oh!There's no room for error,
Solely when, when your ass is on the line,
How long has a witness, much forgiveness
In this business.Oh, you better not be sittinN!Or punch in early!...
But be prepared to stay in late.!.Oh you know they're not kidding!
When they're talking the talk,
Well they're talking the talk,
Well they're talking the talk,This ones for you
oh well this ones for youOH.Oh oh oh!
Oh oh oh?
Oh oh oh.There's no room for error,
Solely when, when your ass is on the line.
How long has a witness, much forgiveness,
In this business.I'm Punching in,
I'm Punchin out,
I'm Punchin in,
I'm punchin out!Punch'n in,
Punch'n out,
Punch'n in!I'm punch'n out!
I'm punch'n out!There's no room for error!
Solely when, your ass is on the line,
How long has a witness, much forgiveness,
In this business.
