The Oak Tree

Morris Day

From the worst to the best
When it comes to cutting a rug
I'll put you to the testAin't nobody better
Is what they're telling me
Said Morris, what's that dance your doing?
Well, I'm doing the oak tree, ha, haOak tree, I'll put you to the test
Oak tree, when it comes to dancing, I'm the best
Oak tree ready to debut
Oak tree, spread your branches, you know what to doI can do the oak treeLet me shake my leaves
(Hey you guys, look it's Morris Day and his new dance)
(Oh yeah, what's he call it? The oak tree)
Watch the danceYour working overtime
That's how to feel the best
Taking care of business, girl
And I wont settle for lessTell me your name
Your looking kinda right
Slip into your red dress, girl
I wanna take you out tonight
Were gonna do theAh, okayThe perfect in position, baby
Come dancing like a tree
It doesn't really matter girl
You know, you can't mess with meShake your leaves
Shake your leaves
(Oak tree, oak tree)
(Oak tree, oak tree)(Oak tree, oak tree)
I'll put you to the test
(Oak tree, oak tree)
You know I'm the best(Oak tree, oak tree)
Everybody's cool
(Oak tree, oak tree)
You know what I'm telling youOh, let's organize
I want everybody to sing(Oak tree, oak tree)
I'll put you to the test
(Oak tree, oak tree)
You know I'm the best(Oak tree, oak tree)
Everybody's cool
(Oak tree, oak tree)
You know what I'm telling youOak tree, oak tree
Oak tree, oak tree
