Dream Of Me

Kristina Train

Dream of me baby
In a place, far away from here
And dream of we made it
Now we see, what is crystal clearCause this life, this lonely, lonely life
Always caught on winter's edge
Cuts you like a knife
I know that there's somewhere
Everything is bright
And one day I'll call
That life I dream of, this lifeDream of me baby,
In a land far across the seas
The darkness has faded
Dark... light is falling through the leafsCause this life, this lonely, lonely life
Always caught beneath the wheels
Broken by the night
I know that there's somewhere
Everything is bright
And one day I'll call
That life I dream of, this life
