How you gonna live at 40?
How you gonna live it down?
How you gonna live at 40?
Whatcha gonna tell your kids?
How you gonna live at 40?
How you gonna live it down?
How you gonna live at 40?
Whatcha gonna tell your mom?

How you face yourself in the morning?
How'd you do what you did?
How to make the best of m o thing
Whatcha gonna tell your kids?
