

Rise to the Top

Elize

Fire in my eyes
I was born to fight
Knock me down
I will get back up
I will not be denied
Waited my whole life
Right now is my time
Iâ€™ve been patient long enough
I will not stand in line

I WILL RISE TO THE TOP
RISE TO THE TOP
I WILL NEVER STOP
I DONâ€™T EVER GIVE UP
GOT MY VISION
IM ON A MISSION
AND I DONâ€™T NEED YOUR PERMISSION
I WILL RISE TO THE TOP
RISE TO THE TOP
I WILL NEVER STOP
I DONâ€™T EVER GIVE UP
ITâ€™S MY LIFE AND I AM LIVINâ€™
BETTER BELIEVE IT CAUSE Iâ€™VE RISEN

Nothing in my way
No words you can say
All Iâ€™m doing is to keep on moving
Iâ€™m higher every day
I see past the clouds
I see past the stars
Destiny is right before me
Even when itâ€™s hard
Iâ€™ve got nothing to lose
Out of the dark
I already know
On top of the world
Where I will go
Where I will go
