Real Trap Piss

Truxton

Gotta get that
Gotta get that
Gotta get that, that, that, that, that
Boom, boom, boom (gotta get that)
Boom, boom, boom (gotta get that)
Boom, boom, boom (gotta get that)
Boom, boom, boom (gotta get that)

Boom, boom, boom (gotta get that)
Boom, boom, boom (gotta get that)
Boom, boom, boom (gotta get that)

He took 2 tabs on tick
But came back for a Q ball - later
Frank he's hooked on flake
And it's on that he spends all his - paper
And he'll take bash in a drought
I push that one on him as a favour
I take that cash and I'm out
Yeah I know what the stake's are
I shot a box of the grass
More time laced with sugar and glass
I sold it for 44 but then I bought it for 4 so you do the math
I take a penicillin tablet
Hit it with a hammer then I turn it to bash
Still I keep pulling in the man like magnets
Shot em out the cheap shit
Turn it to cash
'

Yeah, we run that
Drop raw on the track for the comeback
Get it like
Hah, Yeah Iâ€™m on that
Hot wax on the floor catch a contact
Get 'em like (Blow)
Yeah we run that, drop raw on the track for the comeback
Get it like (Blow)
Hah, yeah Iâ€™m on that, hot wax on the floor

Catch a contact get â€˜em like

Blud, when you hear the sirens coming
I can hear the sirens coming
Better run when you hear the sirens coming
I can hear the sirens coming

One to da two to da three to da four
Line my street, knocking at my door
Twelve black boots on my bedroom floor
What they want with rascal I'm not sure
Took me to the station 8:30
For a fight that I had recently
Say they got me on CCTV
And the black boys told on me
Can't understand why these boys keep snitching
Can't understand why these boys keep bitching
Now I'm hot tempered feel like switching
Can't stand still trigger finger itching
Gotta stay calm, gotta keep my cool
If I go down I'll be a dam fool
Gotta rise up, gotta stand up tall
Can't let em see the end of Dizzee Rascal

Yeah, we run that
Drop raw on the track for the comeback
Get it like
Hah, Yeah Iâ€™m on that
Hot wax on the floor catch a contact
Get 'em like (Blow)
Yeah we run that, drop raw on the track for the comeback
Get it like (Blow)
Hah, yeah Iâ€™m on that, hot wax on the floor
Catch a contact get â€˜em like

Waiting for the break of day
Searching for something to say
Flashing lights against the sky
Giving up, I close my eye
