Midnight Star

"Weird Al" Yankovic

I was waiting in the express lane with my twelve items or less

At the checkout counter at the local grocery store

I was only passin' by but a paper caught my eye

And I learned a few things I never knew beforeIt said, "Your pet may be an extraterrestrial"

It said, "The ghost of Elvis is living in my den

You can learn to cope with stress and you can beat the IRS

And the incredible frog boy is on the loose again "Oh, Midnight Star

It's in the weekly Midnight Star

Aliens from outer space are sleeping in my car

Midnight Star, I wanna know, I wanna knowEat jelly dough nuts and lose twenty pounds a day

Hear the story of the man born without a head

And top psychics all agree that the telephone company

Will have a brand new service that lets you talk to the deadOh, Midnight Star

You can believe it if you read it in the weekly Midnight Star

They're keeping Hitler's brain alive inside a jar

Midnight Star, I wanna know, I wanna knowTell me, tell me how to make my bust line grow

Midnight Star, I wanna knowOh, Midnight Star, well, don't cha know that I read it

I read it in the weekly Midnight Star

The UFO's have landed and we'll tell you where they are

Midnight Star, I wanna know, I wanna knowMidnight Star

Well, you can read all about it in the weekly Midnight Star

You can use your ESP to learn to play guitar

I wanna know, I wanna know, Midnight StarI wanna know, I wanna know, Midnight Star

I wanna know, I wanna know, Midnight Star

I wanna know, I wanna know, Midnight Star

Inquiring minds like mine wanna know, Midnight StarI wanna know, I wanna know, Midnight Star

I wanna know, I wanna know, Midnight Star

I wanna know, I wanna know, Midnight Star
