

# Speechless

## Anna Margaret

Like any other day I must say  
Queen of the whole week doing my thing  
Nothing's moved none's changed  
Everybody call my name  
Today is pretty much the same  
And then i ran into you my heart say

Lalala (X4)  
Skipped two beats  
Got goosebumps from my head to my feet  
This never happened to me  
Like im on repeat all i can say say is...

oh oh oh  
i can't belive this  
You got me speechless  
you got me like  
oh oh oh  
I must be dreaming  
got my heart singing  
Baby the way  
You dress your eyes your swag your style.  
Oh my my my my my  
you got me like oh oh oh  
I can't believe this  
You got me speechless  
You you got me like...

(Kyle James)  
As always dressed to impress  
All in the mirror checking my fresh  
You know me I do what i do.  
Fresh white tee blue shoes.  
Never been the type to lose my cool  
To look to my left and then i saw you  
my heart said ooo(X4)

Skipped two beats  
Got goosebumps from my head to my feet  
This never happens to me

Like im on repeat all i can say is...  
oh oh oh  
i can't belive this  
You got me speechless  
you got me like  
oh oh oh  
I must be dreaming  
got my heart singing  
Baby the way  
You dress your eyes your swag your style.  
Oh my my my my my you got me like  
oh oh oh  
I can't believe this  
You got me speechless  
You you got me like...

You got me under some kind of spell  
When you look into my eyes  
baby i can tell  
that you're one of a kind  
And if im dreaming  
I don't wanna wake up  
Until you're mine ooo

Gotta know your name  
I don't know where you from  
but i can tell  
By the way you stop my heart  
Baby you're the only one  
How you making me feel  
Really want you know  
Every time i see you  
i open my mouth  
But all i can say is...

oh oh oh  
i can't belive this  
You got me speechless  
you got me like  
oh oh oh  
I must be dreaming  
got my heart singing  
Baby the way  
You dress your eyes your swag your style.  
oh my my my my

you you got me like  
oh oh oh  
I can't believe this  
You got me speechless  
You you got me like...
