## Eli Lieb

Take all my love  
A summer night with you and ZeppelinT-shirt and jeans, I got some wheels  
I'll take you where you wanna go  
I know a place we can park  
Where you can play every note, yeah  
On your air guitar  
'Cause I got a black dog feelin'  
Drumming on the steering wheelChorus:  
Singing in the car with you to Zeppelin  
On this perfect, endless night  
Trying to build our own stairway to heaven  
Yeah, I've never felt so high  
You turn it up  
We scream along  
Take all my love  
A summer night with you and ZeppelinTorn at the seams  
I knew by the fraying sleeve that we would fall apart  
But I remember this night  
Your body close to me, can't you see?  
That I got a black dog feeling  
Drumming on the steering wheel(Chorus)And I knew that I'd be here alone  
Kills me I was right  
But I'd do it again if you call  
Where are you tonight?  
Tonight, I need you tonight(Chorus)Take all my love, a summer night with you and Zeppelin  
Take all my love, a summer night with you and Zeppelin
