

Exit

Killing Joke

Noise turns darker, the moments pass
But the drums keep thundering in familiar way
Outside the legions, multiply
By and by, you're still alive
Getting nowhere, so find a way
'Cos ego, ego taking the fame
Discord dances, discord earth
Harvest thanks, didn't go quite right
[Incomprehensible]
Noise turns darker, the moments pass
But the drums keep thundering in familiar way
Outside the legions, multiply
By and by, I'm still alive
