

# Games People Play

**Hank Williams, Jr.**

Oh, the games people play now  
Every night and every day now  
Never meaning what they say now  
Never saying what they mean So they while away the hours  
In their ivory towers  
Till there covered up with flowers  
In the back of a black limousine Talkin' 'bout you and me  
And the games people play Oh, we make one another cry  
Break our heart then we say goodbye  
'Cause our heart say we hope to die  
Let the other one to blame Neither one will ever give in  
So were gazing at an 8 by 10  
Thinking bout the way  
It might have been  
Its a dirty, rotten, shame Talkin' 'bout you and me  
And the games people play People walking up to ya  
Sayin' glory, hallelujah  
And they try to sock it to ya  
In the name of the Lord They gonna teach you how to meditate  
Read your horoscope and cheat your faith  
And furthermore to hell with hate  
Come on and get on board Talkin' 'bout you and me  
And the games people play Look around tell me what you see  
What's happening to you and me  
God grant me the serenity  
To remember who I am 'Cause your giving up your sanity  
For your pride and your vanity  
Turn your back on humanity  
And you don't give a damn Talkin' 'bout you and me  
And the games people play Talkin' 'bout you and me  
And the games people play Talkin' 'bout you and me  
And the games people play
