

# Stars

## Switchfoot

Maybe I've been a problem  
Maybe I'm the one to blame  
But even when I turn it off  
And blame myself the outcome feels the same

I've been thinking maybe I've been part of the cloudy  
Maybe I'm the chance of rain  
And maybe I'm overcast  
And maybe all my luck's washed down the drain

I've been thinking about everyone  
Everyone you look so lonely

But when I look at the stars  
When I look at the stars  
When I look at the stars  
I see someone else  
When I look at the stars  
The stars  
I feel like myself

Stars looking at a planet  
Watching entropy and pain  
And maybe start to wonder how  
The chaos in our lives could pass as sane

I've been thinking if the meaning of resistance  
Of a hope beyond my own  
And suddenly the infinite and penitent  
Begin to look like home

I've been thinking about everyone  
Everyone you look so empty

But when I look at the stars  
When I look at the stars  
When I look at the stars  
I see someone else  
When I look at the stars  
The stars

I feel like myself  
Yeah!

Everyone, everyone who feels so lonely  
Everyone, yeah everyone who feels so empty

When I look at the stars  
When I look at the stars  
When I look at the stars  
I feel like myself  
When I look at the stars  
The stars  
I see someone  
OHH!
