Let's Stay Together

Al Green

I, I'm so in love with you Whatever you want to do is all right with me 'Cause you make me feel so brand new And I want to spend my life with youLet me say that since, baby, since we've been together Loving you forever is what I need Oh let me be the one you come running to I'll never be untrueOh let's, let's stay together Lovin' you whether, whether Times are good or bad, happy or sad, alright, oh yeah Whether times are good or bad, happy or sadWhy somebody Why people break up, Oh, turn around and make up I just can't see, you'd never do that to me (would you baby) To be around you is all I see, is what I want us to doLet's, we ought to stay together Loving you whether, whether times are good or bad, and happy or sad (come one) Let's, let's stay together Loving you whether whether
