Walk My Way

JONES

[Verse 1]
Oh baby, you drive me crazy
Don't worry cause I'll keep holding on
Holding on
You're nothing, you're [?]
Get another bit of love, the same old songs
Same old songs[Pre-Chorus]
Inside every heart there's one weakness
(I'll keep waiting, I'll keep waiting)
Smiling with this arrow in my chest
(I'll keep waiting, I'll keep waiting)
[Chorus 1]
Night or day
When you walk my way
I'll just give in to the power
Hour after hour
When I see your face
When you walk my way
I'll just give in to the power
Hour after hour after hour[Verse 2]
Oh baby, you call me crazy
Don't worry cause I'll be by your side
By your side
Cause when everything started broken
You have the tools to make it right
Make it right[Pre-Chorus]
Inside every heart there's one weakness, oh
(I'll keep waiting, I'll keep waiting)
Smiling with this arrow in my chest, ey
(I'll keep waiting, I'll keep waiting)[Chorus 1]
Night or day
When you walk my way
I'll just give in to the power
Hour after hour
When I see your face
When you walk my way
I'll just give in to the power
Hour after hour after hour[Pre-Chorus]
Inside every heart there's one weakness

(I'll keep waiting, I'll keep waiting)
Smiling with this arrow in my chest
(I'll keep waiting, I'll keep waiting)[Bridge]
(I'll keep waiting, I'll keep waiting)
(I'll keep waiting, I'll keep waiting)[Chorus 1]
Night or day
When you walk my way
I'll just give in to the power
Hour after hour
When I see your face
When you walk my way
I'll just give in to the power
Hour after hour after hour
Night or day
When you walk my way
I'll just give in to the power
Hour after hour
When I see your face
When you walk my way
I'll just give in to the power
Hour after hour[Chorus 2]
This stuff can't wait
When you walk my way
I'll just give in to the power
Hour after hour after hour[Pre-Chorus]
Inside every heart there's one weakness
(I'll keep waiting, I'll keep waiting)
Smiling with this arrow in my chest
(I'll keep waiting, I'll keep waiting)
