Gypsy Blood

Seasick Steve

I like drivin' in my car, don't care where I go
Just head me down a open road
With my baby beside me, I'm happy as can be
The road's the only thing I ever knownI got gypsy blood, gypsy blood, gypsy blood
I got gypsy blood, gypsy blood, gypsy blood
I got the gypsy bloodWhen you've got the gypsy blood, there's nothin' you can do
It's like a fire burnin' in your veins
Just let it burn on through, or it'll burn up you
It's a wild horse let go of the reins
You got gypsy blood, gypsy blood, gypsy blood
You got gypsy blood, gypsy blood, gypsy blood
You got that gypsy bloodWhen you've got the gypsy blood, there's nothin' you can do
It's like a fire burnin' in your veins
Just let it burn on through, or it'll burn up you
It's a wild horse let go of the reins
We got the gypsy blood, gypsy blood, gypsy blood
We got gypsy blood, gypsy blood, gypsy blood
Gypsy blood, gypsy blood, gypsy blood
We got the gypsy blood, gypsy blood, gypsy blood
We got gypsy blood, gypsy blood, gypsy blood
We got gypsy blood, gypsy blood, gypsy bloodWe got the gypsy blood
