Can't Stop the Wheel

Living In a Box

A jaded smile still taints her lips as we drive in
The thin men stand andâ€ stare
Allâ€ is lost whenâ€ beauty reaches out
The weaker girls playâ€ fair

I can't stop the wheel from turning
I can't stop the wheel from turning (turning)
I can't stop the wheel from turning
I can't stop the wheel from turning
Can't stop the wheel

The seconds pass, the sun floats down and we forget
I choose ahead tonight
She changed her tune and laughter filled the air
The wind renewed its flight

I can't stop the wheel from turning
I can't stop the wheel from turning (turning)
(Can't stop the wheel)
I can't stop the wheel from turning
I can't stop the wheel from turning
Can't stop the wheel

Bent out of shape, a strange voice touches you
She's tired of right and wrong
The last look hurts before she disappears
She won't be coming home

Oh, I can't stop the wheel from turning
I can't stop the wheel from turning (turning)
(Can't stop the wheel)
I can't stop the wheel from turning
I can't stop the wheel from turning
Can't stop the wheel

I can't stop the wheel from turning, no, no, no
I can't stop the wheel from turning (turning)
(Can't stop the wheel)
I can't stop the wheel from turning
I can't stop the wheel from turning

Can't stop the wheel

Can't stop the wheel
Can't stop the wheel
