La De Da

Link Wray

There's going to be a revival tonight
Everybody gonna jump and shout and throw the good down
All your sisters and your brothers
Bring all the others out into the line
This is your land, my land
Everybody gotta be free, there'll be no more suicides
Love is all we need to make this world succeed
Let's all give it a try
Can't you see we're all the same
Isn't it a damn shame not to see it now
All I cried is in vain
When we cause others pain and we forget what is right
